

Parents and Guardians,

Are you looking for a fun way to keep your kiddo active this summer? Well, we've got an awesome offer just for you! Enroll in our specially selected Dynamic Priced classes for only $99 a month!

Dynamic Deal Classes:
Current class offerings can be found at linktr.ee/aagstl1

About Dynamic Pricing! Dynamic Pricing Based on Enrollment Levels: The $99/month tuition is available for classes that meet specific enrollment levels.

Lock-In Your Rate: Once you enroll your child in a class at the dynamic pricing rate, the tuition will remain at $99/month for as long as your child stays enrolled in that specific class, on that particular day and time.

Changes in Enrollment: If you decide to transfer your child to a different class, day, or time, or if your child moves up to a new level, the dynamic pricing will no longer apply. In such cases, standard tuition rates will take effect.

How to Register:

5. Go to linktr.ee/aagstl1
6. Select $99 Dynamic Deal Classes
7. Select your desired class
8. Use promo code: *Dynamic* at checkout

Why Choose All American Gymnastics & Super Ninja? Our programs are designed to challenge and inspire children of all skill levels, promoting fitness, discipline, and fun. With engaging coaching and a supportive environment, your child will build confidence and skills that last a lifetime.

Dynamic Pricing Terms and Conditions:

- **Cannot be Combined with Other Discounts:** Dynamic pricing cannot be combined with any other discounts or promotional offers.
- **Trial Credits:** Trial credits cannot be used in conjunction with dynamic pricing.
- **Valid on New Enrollments**: Dynamic pricing applies exclusively to new enrollments.
- **Regular Recreational Class Rules and Policies**: All standard rules and policies for recreational classes must be adhered to.
- **Select Classes**: Dynamic pricing is only applicable to select classes as determined by All American Gymnastics & Super Ninja.
- **Class Transfers**: Any transfers between classes will be subject to the regular tuition rates, and dynamic pricing will not apply to these transfers.
